### Space and Naval Warfare Systems Center Awards Contract

SAN DIEGO — FGM Inc. of Dulles, Va., is being awarded a \$13,861,823 indefinite-delivery, indefinite-quantity contract with cost-plus-fixed-fee pricing for research and development of advanced simulation, human-systems interfaces and integration technologies for next generation command, control, communications, computers, intelligence, surveillance and reconnaissance (C4ISR) systems and command centers. This contract contains no options. Work will be performed in San Diego. The period of performance is from April 2000 to April 2005. Contract funds will not expire at the end of the current fiscal year. This contract was competitively procured through Broad Agency Announcement # N66001-99-X-6906 in the Commerce Business Daily on October 5, 1999, with 19 offers received. No previous awards have been made under this announcement. The Space and Naval Warfare Systems Center San Diego is the contracting activity (N66001-00-D-5067).
